WELLNESS

Sliding rails | Hand Showers | Shower set | Shower Columns

L'evoluzione del design e delle tecnologie ha trasformato la doccia in un'esperienza di benessere e relax. Soffioni, docce, colonne e saliscendi rappresentano le varie sfaccettature di questa trasformazione, offrendo una gamma diversificata di opzioni per personalizzare l'ambiente bagno. Diversi articoli per svariate esigenze. Gamma, linee, forme e materiali per il piacere dell'acqua.

The evolution of design and technologies has transformed the shower into an experience of wellness and relax. Shower heads, showers, columns and Sliding rails represent the various facets of this transformation, offering a wide range of options to personalize your bathroom space. Different items for various needs. Range, lines, shapes and materials for the pleasure of water.
